Summer is the perfect time to catch up and get ahead!  
School may be out soon, but Speech Therapy doesn't have to end. Use summer break as an opportunity to advance your child's communication skills in one of our Speech Therapy Summer Camps.  
Campers join no more than seven other kids in group fun and educational activities such as music, sports, cooking, art, field trips and neighborhood outings. The camp is led by licensed trained Speech-Language Pathologists and assistants who facilitate continued improvements in your child's Speech, Language, and Social skills.
